"The Rotary Club of Bright meets on Thursday evenings at the Bright Chalet, 113 Delany Avenue, Bright, at 6.15pm for 6.45pm.

Bookings and apologies by midday on the day of the meeting (03 5755 1833).

President's Message

Last Thursday we had a fun night at "Sideshow Alley" at Avalon House, Harrietville. Thanks to Jenny and FAM. We all had a good laugh, the pizza was great, and Avalon House was a warm and friendly environment.

This week's dinner meeting with the District Governor is at Myrtleford on WEDNESDAY evening at 6.30 for 7pm Dinner.

People who expressed interest in joining the Club from our membership night have been invited to discuss their interest with Club members. All of the attendees and other people who showed interest in Rotary have also received another contact from the Club.

As part of the Club's goal of increasing community awareness of the Club's role the Grapevine is now being sent to Bright P-12 College, Alpine Shire, Bright Medical Centre, and Parks Victoria, and is available to people interested in Rotary by request.

Rob Moore and Ray Borschmann returned from Timor last week. Rob will enjoy his holiday after a very busy time setting up and working in Timor.

Rob and Fraser McNaught have arranged to have the water slide transported to Bright. Initially it will be stored at the shed before reinstallation in November.

The Club has been invited to provide two staff at two checkpoints from 9.45 to 4.45pm for The Alfred 6 Hour Charity Mountain Bike Race which will be held at Bright on Saturday September 20 2014. Details were sent to all members yesterday so please advise me ASAP if you are available to help and I will arrange a roster.

Hi All
 A photo for the Grapevine with the following caption. " This wooden statue at Le Puy-en-Velay on the Saint-Jacques-de-Compostelle (Camino de Santiago) was provided by several Rotary clubs to celebrate Rotary's centenary." Also a close up of the sign.

## And Final

Every time I start thinking too much  
About how I look,  
I just find a pub with a Happy Hour  
And by the time I leave,  
I look just fine.

We all get heavier as we get older,  
Because there's a lot more information in our heads.  
That's my story and I'm sticking to it.
