"The Rotary Club of Bright meets on Thursday evenings at the Bright Chalet, 113 Delany Avenue, Bright, at 6.15pm for 6.45pm.

Bookings and apologies by midday on the day of the meeting (03 5755 1833).

President's Message

It was good to welcome back Michelle Chalwell, Dee Hedley, and Patrick O'Shea after their breaks in various places. Unfortunately we missed Geoff Hall and Andrew Moir who were on the sick list. And it was great to welcome two guests Steve Gilliver and Andrew Pook who had an enjoyable evening and will attend again. It was also good to see that fellowship continued after the meeting had concluded. ALL members are encouraged to "introduce a guest" to Rotary.

Liz Cerini, a physiotherapist with Wodonga Health was our guest speaker and gave a thorough presentation on cardiac care and rehabilitation.

Ray Borschmann presented Rotary Information.

Last week Rob Moore, Terry Gibbons, and Patrick and Elaine O'Shea packed equipment in the Rotary shed, and Patrick and Elaine then transported it to Melbourne for shipping. On Saturday Exchange Student, Minori joined John Martin and Dee at the sausage sizzle. Thanks to everyone.

The slide will be transported to Bright at the end of August and will be stored in the shed until it is reinstalled.

I am pleased to confirm that Syd Lewis has now accepted an Honorary membership. We hope to see Syd at the Club soon.

Invitations to the Rotary Information and Membership Evening will be sent TODAY! So if you have invited someone you need to tell me ASAP so that all invitees receive a written invitation.

All members are requested to be available NEXT SATURDAY morning to provide a focus on Rotary Week and distribute further invitations in the shopping centre and at the market in Howitt Park.

Re- Our program for the 4th September at Avalon House in Harrietville

Below please find a link for Rotarians to view the clip of Sideshow Alley. I hope it generates more interest & we get 40 people hopefully. We can fit 50 though. Payment arrangements – it would be great to have tickets pre sold a week before so I know numbers but happy to take additional people on the night – I know we locals leave it to the last moment. Let me know how interest is going as soon as convenient.

Sideshow Alley at Avalon House Harrietville Thursday 4 Sept 8.30pm Pizza from 6-8pm
Be amazed! Be entertained! The story of 4 intriguing characters unfolds against the colourful and exciting back drop of the Sideshow.

## History of The Rotary Foundation

Presented By Ray Borschmann

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment “for the purpose of doing good in the world.” In 1928, it was renamed The Rotary Foundation, and it became a distinct entity within Rotary International.

### Growth of the Foundation

In 1929, the Foundation made its first gift of \$500 to the International Society for Crippled Children. The organization, created by Rotarian Edgar F. “Daddy” Allen, later grew into Easter Seals.

When Rotary founder Paul Harris died in 1947, contributions began pouring in to Rotary International, and the Paul Harris Memorial Fund was created to build the Foundation.

### Evolution of Foundation programs

1947: The Foundation established its first program, Fellowships for Advance Study, later known as Ambassadorial Scholarships.

1965-66: Three programs were launched: Group Study Exchange, Awards for Technical Training, and Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

1978: Rotary introduced the Health, Hunger and Humanity (3-H) Grants. The first 3-H Grant funded a project to immunize 6 million Philippine children against polio.

1985: The PolioPlus program was launched to eradicate polio worldwide. Rotary, along with our partners, has reduced polio cases by 99 percent worldwide since our first project to vaccinate children in the Philippines in 1979. We are close to eradicating polio. Providing vitamin A supplements during polio National Immunization Days has averted an estimated 1.5 million childhood deaths since 1998 – testimony to the “plus” in PolioPlus.

1987-88: The first peace forums were held, leading to Rotary Peace Fellowships. Each year, Rotary selects individuals from around the world to receive fully funded academic fellowships at one of our peace centres. These fellowships cover tuition and fees, room and board, round-trip transportation, and all internship/field study expenses. Two types of peace fellowships are available.

2013: New district, global, and packaged grants enable Rotarians around the world to respond to the world’s greatest needs. The Rotary Foundation offers grants that support a wide variety of projects, scholarships, and training that Rotarians are doing around the world. Explore the grant types and find one that’s right for your project.

Since the first donation of \$26.50 in 1917, the Foundation has received contributions totalling more than \$1 billion. That averages over \$10million per year. The Great Depression and World War II both impeded the Foundation’s growth, but the need for lasting world peace generated great postwar interest in its development. More than \$70 million was donated in 2003-04 alone.

## And Final

. With the bar in mind, I stopped off this evening to get some money from the hole in the wall:

As I was taking the cash, a tramp came up to me and asked if I could spare any money.

I said, “ If I were to give you any money, would you spend it on drink?”---He said, “No sir.”

I said, “ Would you be spending it on cigarettes then?”---He said, “No sir.”---

I said, “ Would you be spending it on gambling then?”--He said, “No sir.”--

I said, “ If that is the case would you please come home with me, so I can show my wife, what can happen to somebody who doesn’t smoke, drink or gamble.”
