### President's Message

Operation of the waterslide was going well until the storm hit on Thursday followed by days of rain...but we can't change the weather!

On Thursday evening we had a good attendance at our first Dinner Meeting for 2015. Allan Poyner presented his "This is My Life", Geoff Tually presented Rotary Information, and we discussed some General Business items including Two Way radios for the Waterslide, signage at the Aquatic Park, and coordination of Australia Day breakfast.

Rob Moore has arranged for a very special Guest Speaker, Shirley Shackelton, to speak at the Club's next meeting on January 15 which will be a Partners Night. Bookings have been made with the Chalet.

## **Community Bowls**

We would like to enter a team in the up-coming community bowls event in January 2015

Anyone interested please let me know by email or phone [tezzagee43@yahoo.com](mailto:tezzagee43@yahoo.com) 0401 228 512 so I can confirm with Patrick.

We need at least six players as not all of us can play every week.

Thanks

Terry

## **Waterslide Roster December 2014 – January 2015**

**Rotarians** are reminded that a Rotarian must be in attendance at all times during opening hours. The first named Rotarian on each shift is responsible for operation of the slide during the respective shift so if he/she is unable to attend must arrange for another Rotarian to take that responsibility. The **Rotarian** responsible for the shift is required to confirm in advance with the other members/volunteers who are rostered for the respective shift that they will be in attendance. The **Rotarian** rostered on the first shift is to pick up the money and keys from Wayne and sets up the waterslide for the day. The **Rotarian** rostered on the second shift makes sure that everything is turned off and locked up at the waterslide and returns

the days takings and keys to Wayne. **Please ensure that the radio's are turned off as they operate using three AA batteries and will not last very long if left on.**

Members and Volunteers who are on the roster but unable to attend at the time/s they are rostered are required to arrange to swap the respective shift with someone else on the roster, or make an arrangement with someone on the Waterslide Roster Reserves/Contact List to complete the shift.

**Only if unable to arrange a replacement contact should be made with the Waterslide Co-ordinator:**

**Patrick O'Shea**

## Rotary Information 8th Jan 2015.

### Ian Murphy District 9790 Debating Competition.

The debating competition was conceived by Rotarian Ian Murphy of the Rotary Club of Corryong. It serves to provide a platform for students in Year 11 to develop debating skills and compete against other schools throughout District 9790.

It is open to all schools within the district and is organised as a knock out competition culminating in a final at the District 9790 Conference at the end of March each year. Each round takes place at the normal dinner meeting of the Rotary club or organised by mutual consent by the debating clubs.

A Manual of Procedure has been developed by the District which sets out how the Debating Competition is run and the competition is run by a District Committee, of which the current Chair is Ela, assisted by me and 3 other committee members. Debating topics are chosen by the Committee and the topic for the:

Final Debate at the District Conference is:

'That renewable energy is the way to go'.

SEMI FINAL Round Draw.

To be completed by END of FEBRUARY 2015

TOPIC: 'THAT SOCIAL SKILLS MATTER MORE THAN INTELLIGENCE.'

Debating topics chosen for this year's semi- final and final debates.

1. We buy the brand and not the product.
2. Corporal punishment has a place in the school.
3. The schools right to search students & lockers is more important than a Student's right to privacy.
4. Australia's youth should work for the dole.
5. Our food has become too processed

6. That TV gives us a warped view of life.
7. That environment should take precedence over economy.
8. That the right to privacy is more important than the freedom of the press
9. That democracy is rule by the vocal minority.
10. That monetary wealth does not equate to happiness.
11. That we are over-governed.
12. That Australia must store more water
- 13.** That education is the key to success.
14. That a continually growing economy is a necessity.

Topics are chosen to provide debating skill development AND assist students in keeping a balance on a topic, ie., look at both sides of a current public concern.

There were 18 schools involved in this year's competition. Clubs will receive an invitation to be involved in the 2015/16 competition.

Four (4) Rotary Clubs supported 2 schools in this year's competition.

The Lone Ranger and Tonto walked into a saloon and sat down to drink a beer.

After a few minutes, a big tall cowboy walked in and said "Who owns the big white horse outside?" The Lone Ranger stood up, hitched his gun belt, and said, "I do....Why?"

The cowboy looked at the Lone Ranger and said, "I just thought you'd like to know that your horse is just about dead outside!"

The Lone Ranger and Tonto rushed outside and sure enough Silver was ready to die from heat exhaustion. The Lone Ranger got the horse water and soon Silver was starting to feel a little better.

The Lone Ranger turned to Tonto and said, "Tonto, I want you to run around Silver and see if you can create enough of a breeze to make him start to feel better." Tonto said, "Sure, Kemosabe" and took off running circles around Silver.

Not able to do anything else but wait, the Lone Ranger returned to the saloon to finish his drink.

A few minutes later, another cowboy struts into the bar and asks, "Who owns that big white horse outside?" The Lone Ranger stands again, and claims, "I do, what's wrong with him this time?"

"Nothing, but you left your injun runnin
