"The Rotary Club of Bright meets on Thursday evenings at the Bright Chalet, 113 Delany Avenue, Bright, at 6.15pm for 6.45pm.

Bookings and apologies by midday on the day of the meeting (03 5755 1833).

President's Message

Assistant Governor Kathryn Chivers attended last week's meeting and presented the Club with a Certificate of Achievement for planning conducted by the Club last year. She encouraged members and partners to attend the District Governors meeting on September 10 and discussed the potential for flexibility in Club's meeting schedules.

It was good to see Ela Tually has recovered from her illness and attended the meeting. Unfortunately we missed Graham Cocks, Geoff Hall, and Andrew Mior, were on the sick list. Exchange Student, Minori has become the Club's regular volunteer on the Saturday Sausage Sizzle and joined Sid Dalbosco and Chris Young at yesterday's cold but successful morning. Thanks to the team.

The Deputy Premier is meeting Council officials at the new Aquatic facility in Centenary Park on August 13. Stuart and I have been invited to represent the Bendigo Bank and the Club.

The Board held its first meeting for the year and made the following decisions ...

...Approved Stuart Hargreaves' application to be an Excused member for attendance purposes.

However, this does not mean that Stuart will not be attending meetings or continuing his full involvement in Rotary.

...Agreed to contribute \$160 for three Bright students to attend Driver Education at Myrtleford.

...Approved Lindsay Jolley's LOA, and formally accepted David Allen's resignation.

...Agreed that the meeting to be held in Mental Health Week on October 9 be a "Hat Day Party." This will be a Partners and Friends meeting.

...Agreed to change the date of the October 23 meeting to Monday October 20 to welcome the RFE group from Brazil. This will also be a Partners and Friends evening.

...Agreed to again participate in the Spring Festival's fireworks night.

...Adopted the Club's Budget for 2014/15

...Adopted the Club's recommendation to contribute \$5000 towards the Bright Tennis Club's project to construct Kids Mini Courts as part of Tennis Australia's Hot Shots Program."

...and discussed the Club's meeting structure, membership recruitment, Club Assembly and Music in the Park program.

Liz Cerini will be guest speaker at next week's meeting. We are expecting some members will have guests but ALL members are encouraged to "introduce a guest" to Rotary..."the more the merrier."

"Countdown" ...**10, 9, 8, 7 DAYS LEFT** to invite someone to.....Membership Information Evening (August 28, 2014)

Have YOU received a positive response from LEAST ONE person you have invited to attend our Membership Evening yet?

If you haven't, you have **7EVEN DAYS** left to advise Bruce so that a written invitation can be issued!

When each member brings ONE potential member we will be assured of a minimum attendance of TWENTY SIX people. Remember, while we are seeking new members, we are simply asking people if they wish to learn more about Rotary by attending the Evening.

Members of the Membership committee have generally received positive responses from the people that it has asked to the evening so think of someone who may be interested in attending and just ASK them!

AND a reminder that we need ALL Rotarians to advertise the Evening throughout the Shopping Centre and Market on Saturday August 16, so please put that date in your diaries!

## *Members 5 Minutes*

...Sid Dalbosco

Sid was educated at Porepukah, Myrtleford, and Kilmore prior to becoming a dairy farmer at Porepukah which continued until the 1970s.

Later Sid's farming interests moved to beef cattle, and tobacco and wine growing. He enjoyed the tobacco production industry and was acknowledged a number of times with prizes for the quality of the product.

The cold climate in the area is suitable for the production of early season grapes so the farm now grows grapes for juice for South Australian sparkling wines.

Sid is married to Elizabeth and they have five children, two who are involved in farming with Sid.

**Kathryn Chivers Presenting Sue  
and Ela with the  
Certificate of Achievement**

Hi All, a photo of me on the 4 hour 17 km Anne Marie Jouvhey walk around Seurre, Chamblanc, Meix and Jallanges. It took a half hour longer as I conversed often with the dictionary I carried in my hand for the whole walk.

Making a wish while rubbing the owl with my left hand in Dijon. The left hand is used as it is closer to the heart.

## STOP PRESS

Grapevine August 4 2014 ...

Situations Vacant - "The Timor Projects"

The good news is ...that two teams had been filled to leave on August 24, and September 1, 2014.

Rob Moore, Steve Webb, Patrick O'Shea, Andrew Moir, Ray Borschmann and John Martin will lead or join the teams.

But the bad news is...Rob still needs more people with practical skills to volunteer for further teams. Rob will seek more volunteers by attending and promoting the projects at Frankston Sunrise and Mt Eliza Rotary Clubs.

~~~~~

Grapevine circulation

The Grapevine will be uploaded to Facebook to widen the audience who may be attracted to what Rotary offers.

Arrangements are also being finalised to circulate the newsletter to the larger employment places in Brighton and district as another avenue of getting Rotary information to staff members.

## And Final

If I agreed with you, we'd both be wrong.

We never really grow up, we only learn how to act in public.

I used to be indecisive. Now I'm not so sure.

Evening news is where they begin with 'Good Evening,' and then proceed to tell you why it isn't.
