Presidents Report

LAST WEEK:

- The markets were again a major topic of discussion. Do not think that it just happens...There is an enormous amount of work done before hand along with that required on the day... It has been decided that there shall not be a barbeque at the Gala Day Market and that we put more effort into ensuring that the market be well run and this workload be shared around... It is not just be there at the start and finish and expect it to expect everything in between does not require a presence.

This Market [Gala Day] does require a greater effort.
See the attached roster of tasks required on market day....

- Our visiting Rotarian, Kevin Hales from Goolwa SA shall be joining us on our high country trip with Ian Stapleton next Sunday
- We received advice that the Alpine Probus Club is to disband and amalgamate with the Bright Probus Club.
- Sue again requested that if you have any photos/articles regarding our Rotary activities, please forward them to her so that she can place them on our facebook page.

THIS WEEK:

- This weeks Dinner is at the RSL.
- At this meeting we need to resolve that we continue with the markets for next year 2016/17, as there is an amount of paperwork need to commence very soon, including setting dates and advertising etc.
- The Veteran Vintage and Classic Vehicle Club of Wangaratta has offered us the opportunity to cater [BBQ Lunch] for their Annual Rally which shall be visiting Bright on 10th September 2016. There is expected around 170 people with 100 cars.
We have done things like this in the past.
Is the Club prepared to take up this offer? They are seeking our response.

Our intrepid explorer's trying not to get lost in the low clouds up on the high plains

After what seemed like a day's trek we finally reach Fitzgerald's Hut where we can rest our weary bones and have a well-earned rest and a cuppa.

Our visiting Rotarian Kevin Hales making himself at home in Fitzgerald's hut.

John and Sue Manning don't look too happy about going back out in the elements to walk back to civilisation
