### President's Message

There was a good crowd (including 4 Club members) at the opening of our past Exchange Student, Jack Raymond's Photographic Exhibition titled "Juvenile in Japan" at the Bright Art Gallery on Friday. The exhibition is open from Saturday 15<sup>th</sup> August to Sunday 23<sup>rd</sup> August. Opening times 10.00am to 5.00pm daily with extended time to 8.30pm on the Thursday. The exhibition depicts his time last year in Japan as our exchange student. Please find time to support the exhibition.

Next Thursday shall be Lindsay Jolley's last meeting with us before he moves to Bendigo. Last week we had quite an informative presentation from Bruce Nordeck, the local RSL

President, on his life and times in the army as a national serviceman which included time in Vietnam and its impact upon his life and how he has dealt with it.

Bruce is also very keen on the RSL history and has offered to give us a guided tour through the local RSL museum at a later date.

Next Wednesday I shall be attending a Group 5 meeting of Club Presidents at Myrtleford with our Group AG, Margaret Bennett.

**RE: FUNDRAISING FOR THE ALFRED TRAUMA CENTRE – THE ALFRED 6 HOUR.**

President Graham and members,

The Alfred 6 Hour, Endurance Mountain Bike Race will be held on Saturday, September 19<sup>th</sup> in Bright. As you may be aware, the 2014 event raised over \$14,000.00 for The Alfred Hospital and this was, in part, due to the assistance of the Bright Rotary Club.

I am again requesting assistance with personnel on race day. The race course will have one check point staffed throughout the event. The checkpoint is in place as a safety measure. If a rider was injured or required assistance, the person on the check point would contact the race director by radio to arrange appropriate assistance. Check point personnel would not be required to hold a first aid certificate. (Ambulance Victoria will be onsite in the unlikely event of rider injury.)

The checkpoint is on Mystic Lane and easily accessible by 2WD vehicle (See attached Map). Ideally we would have two people at the checkpoint at any time. The checkpoint would need to be staffed from 9:45am to approx. 4:45pm. These points could be staffed on a rostering system eg. two hours at a time or by mutual agreement.

I look forward to your response and if you require any further information, please do not hesitate to contact me.

Regards,

Ross Walker  
Race Director.

## **And Finally**

Peter starts his new job at the London Zoo and is given three tasks. First is to clear the exotic fish pool of weeds. As he does this, a huge fish jumps out and bites him. To show who is boss, Peter beats it to death with a spade. Realising his employer won't be best pleased; he disposes of the fish by feeding it to the lions, as lions will eat anything.

Moving on to the second job of clearing out the chimp house, Peter is attacked by the chimps that pelt him with coconuts. He swipes at two chimps with a spade killing them both. What can he do?

Feed them to the lions, Peter says to himself, because lions eat anything. He hurls the corpses into the lion enclosure.

Peter moves on to the last job which is to collect honey from the South American Bees. As soon as he starts, he is attacked by the bees. He grabs the spade and smashes the bees to a pulp. By now he knows what to do and throws them into the lion's cage because lions eat anything.

Later that day a new lion arrives at the zoo. He wanders up to another lion and says, 'What's the food like here?'

The lion replies, 'Absolutely brilliant!..... Today we had fish and chimps with mushy bees.'
