ROTARY GRACE

**"For good food, for good fellowship,
and the privilege to serve through Rotary,
we give thanks." AMEN**

President's Message

Another fruitful evening with our meeting venue finalised to be at the Bright RSL. Rostering is being prepared for our self-catering etc. Everyone can expect a turn at some time. Watch this space.

The Diner fee shall remain at \$20.00/head for a 2 course meal and the RSL shall run the bar.

While there is limited storage space available we are working on how we can best utilise the space available.

Also a healthy discussion was held to help finalise most of our committees which are Planning Committees for the various Club activities.

Note: Attendance numbers need to be finalised this Thursday for our Christmas in July dinner at Bella's in Harrietville on Thursday 23 July 2015.

Our Treasurer is also keen to receive more responses to the recent correspondence each member received from him.

Could all members please provide the programme committee with prospective names for guest speakers at our meetings? This also includes suggestions for Social activities. Forward planning by all our committees is essential.

Could **ALL** Directors and/or committees provide articles, rosters etc. to the Bulletin editor as the activities are being planned. Share the load.

And Finally

Young Golfer

A young man who was also an avid golfer found himself with a few hours to spare one afternoon. He figured if he hurried and played very fast, he could get in 9 holes before he had to head home. Just as he was about to tee off an old gentleman shuffled onto the tee and asked if he could accompany the young man as he was golfing alone. Not being able to say no, he allowed the old gent to join him.

To his surprise the old man played fairly quickly. He didn't hit the ball far, but plodded along consistently and didn't waste much time. Finally, they reached the 9th fairway and the young man found himself with a tough shot. There was a large pine tree right in front of his ball - and directly between his ball and the green.

After several minutes of debating how to hit the shot the old man finally said, "You know, when I was your age I'd hit the ball right over that tree."

With that challenge placed before him, the youngster swung hard, hit the ball up, right smack into the top of the tree trunk and it thudded back on the ground not a foot from where it had originally lay.

The old man offered one more comment, "Of course, when I was your age that pine tree was only 3 feet tall....."
