ROTARY GRACE

**“For good food, for good fellowship,
and the privilege to serve through Rotary,
we give thanks.” AMEN**

President's Message

Last week unfortunately saw a low number of members in attendance at the Bright Brewery. The tour was conducted by Toby the German Brewer at the brewery. From his background as a brewer in Germany he was able to enlighten the drinkers on why Australian beers are more prone to giving the drinker a headache.

Next week 2 members shall be giving short presentations on their backgrounds, followed by a Board Meeting.

We need to know by Thursday night if we have sufficient members prepared to assist the organisers of the Alfred 6 Hour Charity Mountain Bike Race being held in Bright on Saturday 19th September. The assistance is to man a check point for approximately 7

hours, on a roster basis with 2 people in attendance at all times. **See attached letter for further details.** If you can assist please notify Geoff Hall.

REMINDERS:

1. On Thursday 17th September (2 weeks away) our Guest Speaker shall be Steve Robinson speaking on his times in Antarctica. **Partners are most welcome.** The AG Margaret Bennett is also visiting the Club on that night.
2. The Shire CEO shall be our guest speaker on 24th September. Therefore no social event that night.
3. The DG visit shall be combined with Beechworth and Myrtleford on Tuesday 6th October with a combined dinner at Beechworth. Please make an effort to attend as there shall not be a meeting on the Thursday, that week.
4. Group 5 Dinner at "Remel" is scheduled for 20th February 2016 with proceeds going to ROMAC.
5. For catering purposes could **ALL** members **please advise** Stephen Webb by Tuesday lunch time each week of their **intended attendance or otherwise** at our meetings. This is essential for catering purposes.

**The Rotary Four Way Test**

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned

RE: FUNDRAISING FOR THE ALFRED TRAUMA CENTRE – THE ALFRED 6 HOUR.

President Graham and members,

The Alfred 6 Hour, Endurance Mountain Bike Race will be held on Saturday, September 19th in Bright. As you may be aware, the 2014 event raised over \$14,000.00 for The Alfred Hospital and this was, in part, due to the assistance of the Bright Rotary Club.

I am again requesting assistance with personnel on race day. The race course will have one check point staffed throughout the event. The checkpoint is in place as a safety measure. If a rider was injured or required assistance, the person on the check point would contact the race director by radio to arrange appropriate assistance. Check point personnel would not be required to hold a first aid certificate. (Ambulance Victoria will be onsite in the unlikely event of rider injury.)

The checkpoint is on Mystic Lane and easily accessible by 2WD vehicle (See attached Map). Ideally we would have two people at the checkpoint at any time. The checkpoint would need to be staffed from 9:45am to approx. 4:45pm. These points could be staffed on a rostering system eg. two hours at a time or by mutual agreement.

I look forward to your response and if you require any further information, please do not hesitate to contact me.

Regards,

A handwritten signature in black ink, appearing to read "Ross Walker".

Ross Walker
Race Director.

Beechworth RC is after an estimate of numbers for the Dinner Meeting with the DG at Beechworth on the evening of Tuesday, 6th October, **ASAP**.

Details at this stage are:

2-course (alternating mains and desserts) for \$32 per head at the Hibernian Hotel.

Drinks at own cost from the bar.

Could members please indicate to Stephen Webb, **ASAP**, if they think that they may be attending. Partners are welcome.

We will seek definite numbers closer to the day.

If anyone has anything of interest they would like to be included in the Grapevine please send it to me at my email address above. Providing the material will not offend anyone I will endeavour to include it in a future edition.

Thanks

Terry

When NASA started sending up astronauts, they quickly discovered that ballpoint pens would not work at zero gravity.

To combat the problem, NASA scientists spent a decade and \$12 billion developing a pen that wrote at zero gravity, upside down, underwater, on almost any surface including glass and at temperatures ranging from below freezing to 300C.

The Russians used a pencil.
