President's Message

Last week Robert Merrett presented to the Club on his attendance at the Murray Darling Freshwater Research Program. I think that Robert's conclusion that the experience would influence his final choice of a career is a worthwhile outcome from the Club's sponsorship of this Program.

The Joint Board meeting was held last week and,

- granted leave to Michelle Chalwell (July to September 3), and Rob Moore (July to September 30).
- agreed to contribute \$300 for three local children with disabilities to attend a Bowlarama Day.
- reduced membership fees by \$20 to \$190 for 2015/16, and left other charges at the same level as 2014/15.

- agreed that Carols by Candlelight again be held on Christmas Eve, and the Treasurer will apply for Event's funding for Music in the Park.
- received reports on the Driver Education Program, and Kylie Cyrus. These reports will also be presented to this week's meeting.
- received reports on Alpine Health's recent consultation on revised plan for inclusion of Aged Care facilities in the Bright Hospital and further stages of hospital redevelopment, and membership proposals in 2015/16.

This week the Club will gain three new members, Diana Feltrin, Kathryn Levy, and John Dodd who will be Inducted at Thursday's meeting. All members are asked to be in attendance and give these new members a truly "Bright Welcome."

And Finally

As I'm lying around, pondering the problems of the world

I realize that at my age I don't really give a rat's anymore

If walking is good for your health, the postman would be immortal.

A whale swims all day, only eats fish, drinks water, but is still fat.

A rabbit runs and hops and only lives 5 years, while

A tortoise doesn't run and does mostly nothing, yet it lives for 150 years.
