President's Message

Another enjoyable night last Thursday with a good attendance of Rotarians, Partners, and Guests for the Pizza and Film at Cloud9 Cinema. And the "The Longest Ride" was good! Thanks to Michelle Chalwell for arranging the program.

May is International Service Month so accordingly the International Service Committee will present to this week's meeting at the Star Hotel on Thursday May 28. And Patrick O'Shea will leave for Timor at the weekend to join the Frankston Sunrise Club's work team.

I expected the Council's requirements for the former kindergarten building were to be provided last week. This will be followed up again so that sufficient time for Members consideration of that advice can be given and the Club can decide on this proposal at its meeting on June 11.

Secretary John Martin forwarded invitations to the Club's Changeover Dinner on June 25 to all Members last week.

## Object Of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy Enterprises and, in particular, to encourage and foster:

- 1 The development of acquaintance as an opportunity for service.
- 2 High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- 3 The application of the ideal of service in each Rotarian's personal, business and community life.
- 4 The advancement of international understanding, goodwill and peace through world fellowship of business and professional persons united in the ideal of service.

**And Finally**

## **“4 Worms In Church”**

A minister decided that a visual demonstration would add emphasis to his Sunday sermon.

Four worms were placed into four separate jars.

The first worm was put into a container of alcohol.

The second worm was put into a container of cigarette smoke.

The third worm was put into a container of chocolate syrup..

The fourth worm was put into a container of good clean soil.

At the conclusion of the sermon, the Minister reported the following results:

The first worm in alcohol . . . . . Dead .

The second worm in cigarette smoke . . .Dead .

Third worm in chocolate syrup . . . . Dead.

Fourth worm in good clean soil . . .**Alive** 💎

So the Minister asked the congregation, "What did you learn from this demonstration?

Maxine was sitting in the back, quickly raised her hand and said . . .

"As long as you drink, smoke and eat chocolate,  
you won't have worms!"

That pretty much ended the service!
