### **President's Message**

#### Last Week:

Our guest Speakers were ourselves; bragging about which football team should win the Grand Final and just how good we were when we played and why their team missed out.

"Ritchies" shall be the new owners of the local IGA supermarket as from 13<sup>th</sup> October 2015. They have advised me that the weekly fruit & vegetable raffle hamper will no longer be available. However, they do support local clubs and charities through the Ritchies Community Benefit Program.

The coordinator of this program who is also a Rotarian shall be attending our meeting on 29<sup>th</sup> October, and shall explain to the Club Ritchies Community Benefit Program and how it can benefit the Club.

Members are invited to attend the official opening of the New "Hot Shots" mini courts at the Bright Tennis Club at 10.00am on Saturday 10<sup>th</sup> October 2015. We provided funds to assist in the provision of these smaller courts to suit young children.

They may suit some Rotarians also.

#### This Week:

A combined dinner with Beechworth and Myrtleford Clubs for the DG's visit shall be

At the Hibernian Hotel Beechworth at 6.30pm for 7.00pm. We have 7 members and 2 partners attending.

A meeting with the DG is scheduled for 6.00pm for those Board Members able to attend.

#### REMINDERS:

1. The Lions Club of Bright shall be celebrating their 40<sup>th</sup> Anniversary on 18-20 March 2016 at the Bright Entertainment Centre. They have asked if we have anyone with an RSA ticket and if so would be able to manage the Bar on the Saturday night 19 March, similarly to what they did for us.

**Could any Member with a current RSA please advise me.**

2. We have sponsored both the Alpine Shire Youth Council Award (17-24) and the Inspirational Award at the forthcoming 2015 Alpine Youth Council Awards night to be held at the Mount Beauty Community Centre on Friday 23 October 2015 at 6.30pm. We have been invited to present these awards at the ceremony.

**As I shall not be available, is there anyone else available to represent the Club?**

**If so please contact me ASAP as RSVP is Friday 09 October.**

3. Do Members have any thought on a largish Community Project that the Club could consider? **If so please advise Geoff Hall or myself with your thoughts.** Lions are also looking for a local project that is of benefit to the community and have suggested that both Clubs may be able to work together on such a project, if suitable.
4. Our meeting on 22<sup>nd</sup> October shall be a combined meeting with Lions.
5. Group 5 Dinner at "Remel" is scheduled for 20<sup>th</sup> February 2016 with proceeds going to ROMAC.
6. This year's Conference a month earlier on 25-28 February 2016 @ Bendigo. **Members who shall be attending from this Club? - Registration can be made now.**

**And Finally**

## **Warning Sign That Should Be Attached To All Electronic and Mechanical Machines**

This machine is subject to breakdowns during periods of critical need.

A special circuit in the machine called a 'critical detector' senses the operator's emotional state in terms of how desperate he or she is to use the machine. The 'critical detector' then creates a malfunction proportional to the desperation of the operator. Threatening the machine with violence only aggravates the situation. Likewise, attempts to use another machine may cause it to also malfunction.

They belong to the same union.

Keep cool and say nice things to the machine.

Nothing else seems to work.

Never let anything electrical or mechanical know you are in a hurry
