## President Bob ...

Dear Fellow Rotarians,

Another quiet meeting last week with so much help and support from all.

This week a combined board meeting is on the way, with the weeks ticking by quickly when Lindsay will be our President.

Have a safe and happy week – stay warm in the winter coldness.

Yours in Rotary

..... President Bob.

## Using the Rotary networks.....

Lindsay Jolley chats with the District Governor, John Gatt at Beechworth's change-over last week.

## Well done Patrick .....

Last week the Club recognised Patrick O'Shea's contribution to Rotary at the District level. Patrick has been the Assistant District Governor for the last three years, a role which he will relinquish this coming year.

Patrick thanked the Club and said he has enjoyed it all. He thanked his wife Elaine for all her support and time, and Stuart Hargraves for introducing him to Rotary. It has been a great journey for 14 years of Rotary, including seven in District roles.

And there is still much to look forward to.

## Wild poliovirus reported in Somalia

A case of type 1 polio has been reported in the Banadir region of [Somalia](#), the country's first case since March 2007.

In response to the outbreak, an immunization campaign is scheduled to take place 14-16 May, aimed at reaching more than 350,000 children in the Banadir region.

The World Health Organization (WHO) has issued a surveillance alert for Somalia and bordering areas of northern Kenya and eastern Ethiopia, highlighting the need for urgent searches for additional cases of acute flaccid paralysis and suspected polio in all health facilities. WHO has also advised all countries in Africa and the eastern Mediterranean region to heighten their surveillance for poliovirus.

While only three countries remain polio-endemic -- Nigeria, Pakistan, and Afghanistan -- the world is at risk of outbreaks until all three stop the virus. Continued support for polio eradication is needed to ensure that the progress gained is not lost.
