Meeting attendance numbers just keep getting better as last week's attendance topped the best for the year to date! And it was good to welcome John Pook to the meeting.

Steve Gilliver's presentation of a snapshot of His Life was enjoyed by all, Geoff Tually presented Rotary Information, and Stuart Hargreaves reported on his favourable inspection of Bright's new water reservoir.

Fraser McNaught will follow up on sponsorship and signage for Christmas Carols; attendances for Christmas Dinner on December 18 commenced to be taken, and the Club agreed to cook and serve breakfast on Australia Day. Wayne Phillips has ARHRF Christmas Cards @ \$10 per 10 packs.

Rotary Information -- Nov-December 2014.

Rotary's 4 Way Test of the things we think, say or do

- | | |
|--|-----------------------|
| 1. <u>Is it the TRUTH?</u> | <u>TRUTH or FACT.</u> |
| 2. <u>Is it FAIR to all concerned?</u> | <u>JUSTICE.</u> |
| 3. <u>Will it build Goodwill and Better Friendships?</u> | <u>FRIENDLINESS.</u> |
| 4. <u>Will it be Beneficial to all concerned?</u> | <u>HELPFULNESS.</u> |

Rotary has used this 4 Way test as a basic tenant of what we stand for many years.

Back in 1932, Herbert J. Taylor, developed the test as a way of saving his bankrupt company. He needed to relook at how the company did business and find a way of developing something which his competitors would not have a similar competitive weapon.

The competitive weapon involved Character, Dependability and Service Mindedness of the personnel.

The company had a code of ethics, but was too long and nobody took any notice of it as they could not remember it. We need to develop a simpler standard, which would not tell the employees "what they must do, but ask them questions which would make it possible for them to find out whether their proposed plans, policies, statements or actions were right or wrong".

All personnel were asked to memorise the 4 Way test and words such as 'better', 'best', 'greatest' and 'finest' disappeared from the companies advertising. Herbert Taylor found that **by a simple change from telling people to asking them to look at what they were doing** made the change necessary to regaining the community's confidence and sales gradually increased to the extent that the company's misfortune was gradually turned around.

Putting it simply, it's about credibility and not making enemies. Enemies are a waste of time and serve no useful purpose!

Rotary is more than a Service Organisation – it's a way of life. Thus the importance of the 4 Way Test.

**And Finally**

A father buys a lie detector robot that slaps you when you tell a lie.  
He decides to try it out on his son at dinner, "Where were you last night?"  
"I was at the library." The replied.  
Wack! The robot slaps the son.  
"Ok, I was at a friend's house," the son admits.  
"Doing what?" asked Dad.  
"Watching a movie, Toy Story."  
Wack! The robot slaps the son again.  
"Ok Ok, It was porn."  
"What." Yells the Father. "When I was your age I didn't know what porn was."  
Wack! The robot slaps the Father.  
The Mother laughs and says. "He certainly is your son."  
Wack! The robot slaps the Mother.
