Polio Plus: (from Rotary International President)

Just a few days from now, on 11 August, we will mark a tremendous milestone: **one full year without a single case of polio caused by wild poliovirus in Africa.**

The magnitude of this achievement can hardly be overstated. A polio-free Africa has been within sight, so near and yet so far, for over a decade. The hard work and commitment that have brought us to this point have been nothing short of heroic. Tens of thousands of health workers reached hundreds of millions of children with vaccine, in some of the most difficult conditions imaginable. Together, we have done what once seemed impossible: We have stopped polio in Africa.

Yet this progress, momentous as it is, is still fragile. As long as polio exists in the two remaining endemic countries of Pakistan and Afghanistan, the virus still has the potential to spread and to spark new outbreaks. Now, more than ever, we need the power of all of Rotary to carry us through to the end: not just a polio-free Africa, but a polio-free world.

Wherever you live, whether your country has just conquered polio or has been polio-free for decades, we need your voice, and your help. I ask all of you to find ways to raise awareness in your community, and beyond. We need every Rotarian, in every Rotary club, to be talking about polio: making sure that media outlets report on our progress and our elected officials see polio eradication as a global priority. Your grassroots work helps drive the

increased media coverage we have seen in the past year, which in turn drives global backing of our work to eradicate polio. Together, we will keep polio front and centre in our communities and on our national agendas, keeping up the energy and the momentum that will push us through to the finish.

The battle in Africa has, for the moment, been won, but we need the strength of every Rotarian to help us win the war. Together, we will End Polio Now and truly *Be a Gift to the World*.

ROTARY LEADERSHIP INSTITUTE:

This a reminder that the next Part 1 RLI training session is on Sunday, 27th September 2015 and registrations will close on Thursday 17th September. This RLI course is a three part interactive training session and on completion of the three parts the participants will receive a graduation certificate from the Rotary Leadership Institute, which is an International organisation.

More details about the course can be found on District's website.

On the day the following will be provided:

Below is The Acting President Gavin Stotz of the Rotary Club of Goodna (west of Brisbane), receiving one of Our Banners during my makeup attendance on Monday Night

And Finally

George was a man who had worked all of his life and has saved all of his money.

He was a real miser when it came to his money. He loved money more than just about anything, and just before he died, he said to his wife:

"Now listen, when I die I want you to take all my money and place it in the casket with me. Because I want to take all my money to the afterlife."

So he got his wife to promise him with all her heart that when he died she would put all the money in the casket with him.

When he eventually died, he was stretched out in the casket, the wife was sitting there in black next to their best friend. When they finished the ceremony, just before the undertakers got ready to close the casket, the wife said, "Wait a minute please". She had a shoe box with her, and she came over with the box and placed it in the casket. Then the undertakers locked the casket and rolled it away.

Her friend said, "I hope you weren't crazy enough to put all that money in there with that stingy old man." She said, "Yes, I promised. I'm a good Christian, I can't lie. I promised him that I was to put that money in that casket with him".

"You mean to tell me you put every cent of his money in the casket with him?"

"I sure did," said the wife. "I got it all together, put it into my account and I wrote him a cheque."
