ROTARY GRACE

**"For good food, for good fellowship,
and the privilege to serve through Rotary,
we give thanks." AMEN**

President's Message

Last week was our first meeting in our new permanent meeting place, The RSL.

We shall soon get into the swing of the setup and catering that we shall be doing ourselves.

A Roster for meeting chairperson and catering officers is attached. Please read and note when you are listed for duty.

Our Treasurer is still keen to receive more responses to the recent subscription reminder to all members. **Note:** The president now has a clear conscience.

The guest speaker last week (Mark Ditcham) spoke on recent participation in a leadership course run by the Alpine Valleys Community Leadership Programme, which was conducted over a 10 month period with fortnightly meetings of the participants (up to 24) who represented a diverse range of ages, professions and communities throughout the north-east. We look forward to seeing the outcomes of this program in the community as Mark begins applying the skills he developed.

This week is a social event, being Christmas in July at Bella's in Harrierville. Santa shall be attending.

Reminder:

Could **ALL** Directors and/or committees provide articles, rosters etc. to the Bulletin editor as the activities are being planned. Share the load.

Geoff Hall Thanking Our Guest Speaker Mark Ditcham For His Presentation

Request from the Editor:

I would appreciate if someone can take some photos of proceeding during the meetings and email them to me while I am away so I can include them in the weekly Grapevine.

Thanks

Terry

And Finally

A golfer and his wife walked into a dentist's surgery.

The golfer said to the dentist, "I'm in one hell of a hurry.

I have two mates sitting out in my car waiting for us to go play golf, so forget about the anaesthetic, I don't have time for the gums to get numb.

I just want you to pull the tooth and be done with it!

We have 10am tee time at the best golf course in town and its 9:30 already.

I don't have time to wait for the anaesthetic to work!"

The dentist thought to himself, goodness, this is surely a very brave man asking to have his tooth pulled without using anything to kill the pain.

So the dentist asks him, "Which tooth is it, Sir?"

The man turned to his wife and said, "Open your mouth, Pet, and show him."
