and the privilege to serve through Rotary,
we give thanks.” AMEN**

President's Message

Last Week:

Last Tuesday was the combined dinner with Beechworth and Myrtleford Clubs for the DG's visit at which we had 7 members and 2 partners attend and if Patrick had been able to attend I am sure that we would have won ALL 4 raffle draws instead of only 3. Thank you to those who were able to attend. The DG is looking to visit the Club sometime after he has completed his official visits.

I attend the official opening of the New “Hot Shots” mini courts at the Bright Tennis Club last Saturday. It was great to see the large number of young children in attendance, they outnumbered the big kids.

This Week:

This week is a general meeting followed by a Board Meeting.

REMINDERS:

1. The Lions Club of Bright shall be celebrating their 40th Anniversary on 18-20 March 2016 at the Bright Entertainment Centre. They have asked if we have anyone with an RSA ticket and if so would be able to manage the Bar on the Saturday night 19 March, similarly to what they did for us.
Could any Member with a current RSA please advise me.
2. We have sponsored both the Alpine Shire Youth Council Award (17-24) and the Inspirational Award at the forthcoming 2015 Alpine Youth Council Awards night to be held at the Mount Beauty Community Centre on Friday 23 October 2015 at 6.30pm. We have been invited to present these awards at the ceremony.
As I shall not be available, is there anyone else available to represent the Club?
If so please contact me ASAP as RSVP is Friday 09 October.
3. Do Members have any thought on a largish Community Project that the Club could consider? **If so please advise Geoff Hall or myself with your thoughts.** Lions are also looking for a local project that is of benefit to the community and have suggested that both Clubs may be able to work together on such a project, if suitable.
4. Our meeting on 22nd October shall be a combined meeting with Lions.
5. Group 5 Dinner at "Remel" is scheduled for 20th February 2016 with proceeds going to ROMAC.
6. This year's Conference a month earlier on 25-28 February 2016 @ Bendigo.
Who shall be attending from this Club? - Registration can be made now.
7. Saturday 21st and Sunday 22 November is the 18 hour **Relay for Life** at Pioneer Park. We have entered a team. So far Team Captain Allan Poyner has only one other team member. Team membership is not restricted to only Rotarians. **We need many more team members so as to spread the load. See Allan for more Details.**

If anyone has anything of interest they would like to be included in the Grapevine please send it to me at my email address above. Providing the material will not offend anyone I will endeavour to include it in a future edition.

Thanks

Terry

And Finally

Sometimes it DOES take a Rocket Scientist!!

Scientists at Rolls Royce built a gun specifically to launch dead chickens at the windshields of airliners and military jets all travelling at maximum velocity.

The idea is to simulate the frequent incidents of collisions with airborne fowl to test the strength of the windshields.

American engineers heard about the gun and were eager to test it on the Windshields of their new high speed trains.

Arrangements were made, and a gun was sent to the American engineers.

When the gun was fired, the engineers stood shocked as the chicken shot out of the barrel, crashed into the shatterproof shield, smashed it to smithereens, blasted through the control console, snapped the engineer's back-rest in two and embedded itself in the back wall of the cabin like an arrow shot from a bow.

The horrified Yanks sent Rolls Royce the disastrous results of the experiment, along with the designs of the windshield and begged the British scientists for suggestions.

Rolls Royce responded with a one-line memo:

"Defrost the chicken."
