### President Bob ...

Dear Fellow Rotarians,

A quiet but very informative meeting was held with Sue giving great information about the Relay for Life and we think that this year’s event will be a very full one with members enjoying the relay.

I hope you enjoy the long weekend with lovely weather, stay safe and well.

Yours in Rotary

..... President Bob.

### Meeting Report: – Thursday 6<sup>th</sup> June 2013.

**Secretary’s report:** No report this week.

**Old window frames:** Lindsay Jolley asked if anyone knew where Ian Stapleton could get some old window frames for renovating huts. Ideally they would be two panels wide and three high.

**Youth Exchange:** Lindsay also reported on Youth Exchange. Interviews have been held and the two applicants have been accepted. Currently it is likely that Myrtleford RC will sponsor one student for a year’s exchange, and that Bright will sponsor the other student for a short term exchange. Amanda Mior will be the local counselor.

**Spring Festival Donation:** A cheque for \$9500 was given to Sue Raines and Ros Holland on behalf of the Spring Festival committee. On accepting the cheque Sue and Ros thanked Rotary for our continued support and emphasized how important Rotary and the donation were to the successful running of the festival. There is no doubt that Rotary’s support allows the festival to much more successful which in turn brings more people and business to the local economy.

**Weekly Attendance:** 60.0 %

**Visitors:** Sue Raines and Ros Holland.

**Chairman:** John Farrington.

### RELAY for LIFE.

Sue models the 2013 rugby top.

Sue Manning confirmed that Rotary has entered the 2013 Relay for Life and that now is the time to register yourself and recruit others. Sue as an individual is very dedicated and committed to the Relay because of the many people she knows who have been victims or survivors of cancer.

Sue asked us to think about to whom we would dedicate our involvement in the Relay. The link for the Alpine Shire Relay for Life site for signing up is as follows:

<https://secure.cancercouncilfundraising.org.au/registant/LocationHome.aspx?EventID=40297&LangPref=en-CA&locationID=40353&Referrer=direct%2fnone>

After clicking on 'SIGN UP Create or join a Relay Team', you can use an account from a previous year or establish one.

Last year the local Relay raised \$42,000 which is sufficient for eight research projects. The Rotary Club raised \$4,000. Can we and the community improve on last year?

The Relay for Life will be held 23<sup>rd</sup>/24<sup>th</sup> November.
